Place, Date

Signature of the applicant

This document is for your information and remains in your possession.

The **DER Touristik Foundation e.V.** is a non-profit association and pursues exclusively and directly charitable purposes and can realize these in cooperation with other charitable associations or foundations.

The association advocates the following promotional purposes

The advancement of...

- ... assistance to children and young people
- ... upbringing, adult education and vocational training
- ... nature conservation and environmental protection
- ... development cooperation
- ... animal welfare

We take the following measures to implement these association purposes:

- **Promotion of education**, in particular for disadvantaged children and young people, for example by creating the necessary school infrastructure and access to vocational training
- **Promotion of ecological habitat and species diversity**, such as by means of awareness raising and educational measures
- **Promotion of environment and climate protection projects** to preserve natural resources
- Support of projects aimed at **protecting wildlife in tourist regions**
- **Support of development measures** to lastingly improve the living conditions among the local population and create an economic source of income
- **Assistance in the aftermath of natural disasters** by reconstructing or repairing the infrastructure

Overview contributions associated membership

As an associate member you have the opportunity to support the goals of the association financially and ideally. With your annual membership fee you contribute to finance the various measures for the realization of the purpose.

Associate Membership	Contribution per year
Companies	
Category I: turnover below 500.000 € / year	100 €
Category II: turnover between 500.000€ and 2 million € / year	300 €
Category III: turnover between 2 million € and 10 million € / year	800 €
Category IV: turnover over 10 million € / year	2.000 €
Organisation (like Category II of companies)	300 €
Private persons	50 €

Information about the work of the association

You will be informed about news of the association and progress of the projects via the **homepage** and a **current newsletter**. In addition, you can participate in the annual members' meeting of DER Touristik Foundation e.V..

The registered association DER Touristik Foundation collects personal data of its members and donors for the association's work. The collection and processing is carried out exclusively in compliance with the legal requirements, in particular the General Data Protection Regulation (DS-GVO). You can find more information on this in the enclosed **data protection declaration**.
